

Photography Policy

By becoming a London Trampoline Academy and London DMT Club member you agree to abide by the following photography policy. This applies to all members, which includes participants, coaches, parents, guardians, carers, and other volunteers.

The aim of this policy is to help ensure a fun and safe environment for all, including at training sessions, competitions, and other club events. Failure to follow this will result in termination of your membership (see complaints and discipline procedure). If you have any queries, please email info@londontrampoline.com

London Trampoline Academy and London DMT adheres to the British Gymnastics Photography Policy which can be found on the British Gymnastics website. Key and/or additional points specific to London Trampoline Academy and London DMT are identified below.

Filming and Photography as a Coaching Aid

- During sessions coaches use filming and photography as a coaching aid. This media is kept on club managed and encrypted equipment. By attending the Club's sessions, you agree to the use of filming/photography as a coaching aid.
- Photography and video may only be recorded by Club coaches and assistants, in line with BG policy so that we can ensure images are used in a positive way.

Filming for Educational purposes

- Photography and filming required by Club members for educational work must receive written permission from the Club manager prior to the session. For this, contact info@londontrampoline.com

Filming at special club events and competitions

- At special Club events such as Club activity days or competitions, photography and video may be taken by persons nominated by the Club manager and/or welfare officer on Club managed and encrypted equipment. This photography and video may be used on the London Trampoline Academy and London DMT website and social media.
- During special Club events, participants and spectators may photograph or film performances. However, they must also be prepared to allow and enable the club welfare officer to view any images recorded and permanently delete any image they are directed to.

Filming for Social media

- Sharing photos and videos are a great way to share the love of our sport and encourage new participants to join. They can also be used to share news, reminders, and information.
- Filming and photography for the Club's social media may occur during sessions. However only Club members who have given consent in their Class4kids permissions will be included in the Club's social media.
